ICAI Four Weeks Residential Programme on Professional Skills Development at the Indian Institute of Corporate Affairs(IICA), Manesar

Board of Studies is pleased to announce the 1st Batch of ICAI Four Weeks Residential Programme on Professional Skills Development from 10th September, 2012 to 6th October, 2012 at IICA Manesar.

This programme offers an unique opportunity and would focus on development of communication skills, leadership skills, personal traits for effective functioning in business organization and profession. Keeping in view the basic emphasis of the programme on Development of Communication and Writing skills and also to imbibe confidence in the participants the content of the programme have been thoroughly revised. More emphasis is given on soft skills, developing personality trait and communication skills of the participants by allocating more time towards these topics.

All the students who have passed Chartered Accountancy IPCC/ PCC/ PE- II examination and pursuing last year of article training or completed Articleship training are invited to join the course. Recently qualified Chartered Accountants, say 2-3 years, are also welcome to join the course.

Salient Features:

- Emphasis on Soft Skills, Communication Skills and Personality Development
- Part of Articleship Training
- No need for Separate GMCS

Registration may be made by paying 20% of fees, i.e., Rs. 8,000/- or full fees, i.e. Rs. 40,000/- through Credit card or Net Banking facility using online payment portal.

In view of **limited seats** please send your registration as early as possible.

Registration is normally on ***First-come-First-serve basis***, subject to logical criteria.

All eligible students/ members interested to pursue this programme may **click** for details of programme .

Participants pursuing residential programme will be granted Special Leave (s) (only for applicable days) for attending Campus Placement (Excluding Orientation Programme as it is exempted for Participants of Residential Programme).
